

**Wisconsin Athletic Directors Association
Solicitation of Door Prizes – Info Page / 2007 WADA Workshop**

The Wisconsin Athletic Directors Association (WADA) represents all of the athletic directors in the middle and high schools in Wisconsin. We are a non-profit organization that strives to help our membership serve all the student athletes in Wisconsin. WADA sponsors varied functions to help our members grow professionally. Each year nearly 400 Athletic Directors attend the workshop. **The 2007 WADA Workshop is November 4th, 5th, and 6th in Appleton.**

Our functions are greatly enhanced when we can offer door prizes to our membership. This is a fun way we can randomly draw winners and at the same time we get a company's product out in front of our membership. We ask companies, who are affiliated in some way to middle school and high school sports, to donate items that can be used as door prizes. We accept nearly any and all items that are donated.

In addition to door prizes that might be categorized as smaller items, we have found over the years that it is a great benefit to be able to offer larger items as door prizes. Items such as the ones listed below are always appreciated.

CHECK IF YOU CAN PROVIDE
